A donation to the Stars Appeal is a special way to remember a loved one that helps create a better future for generations of local people.

The Stars Appeal is Salisbury District Hospital's Charity. It raises money to create the best possible experience for 300,000 local people that rely on the Hospital.

The Appeal funds extra facilities, equipment and enhancements in patient care. It helps the Hospital reach standards above and beyond those possible with normal NHS funding.

We undertake major campaigns to make a big difference to patients in key areas such as cancer, cardiac care and the care of children and babies. All departments are grateful for support and we will ensure your wishes are respected if you would like to direct your support towards a particular area of the Hospital's work.

We hugely appreciate the kind support of those who choose to ask for donations to the Stars Appeal, in lieu of flowers, at a loved one's funeral. Your support will make a lasting difference to the people of Salisbury, south Wiltshire, north and east Dorset and west Hampshire and other areas in which local people rely on the care of Salisbury District Hospital. It will help the Hospital provide the best healthcare.

How to donate...

The funeral director will be able to make arrangements to collect donations and send them to us. If they require any help or advice, or resources, such as 'gift aid' donation envelopes, they can contact the Stars Appeal Office at Salisbury District Hospital on 01722 429005.

If you are arranging the collection of donations yourself, again please contact us. We can provide leaflets or donation envelopes or any other assistance you may require.

Directing your support...

You may wish to direct your support to a particular ward or area of the Hospital's work or to one of the Stars Appeal's major campaigns. If so, we will be pleased to honour your wishes. You can do this as follows:

- By nominating a particular ward or department. If you wish to put a notice in the press please include wordings such as *"donations to the Stars Appeal (insert name of ward, area or department e.g. Radnor Ward)"* or *"donations to the Radnor Ward at Salisbury District Hospital"*.
- By nominating the Stars Appeal's current major campaign. During 2010/11 this is the Caring 4 Kids campaign which aims to significantly improve children's facilities at Salisbury District Hospital. If you wish to put a notice in the press please include *"Donations to the Stars Appeal Caring 4 Kids campaign"*
- You may wish to give to the Appeal or Hospital generally. If so, and you wish to put a notice in the press, please include *"donations to the Stars Appeal, Salisbury District Hospital"* or simply *"donations to Salisbury District Hospital"* Such donations will be used wherever the need is greatest at the time they are received.

If you wish to know more about how best to direct your donation, please contact the Appeal Office and we will be pleased to be of assistance.

We will acknowledge all donations in writing. Please contact us if you would like to discuss other ways of acknowledging your support.

A lasting tribute...

Many people choose to use the donations received in memory of a loved one to set up a special 'tribute fund' which they continue to support on an ongoing basis, such as special anniversaries and birthdays.

These funds can be designated to support a ward, department or area of the Hospital's work that has special significance.

For an informal chat about setting up a 'tribute fund' please contact the Stars Appeal Office on Salisbury 01722 429005.
