

## A prayer of pilgrimage

God, open our hearts to your presence

Open our minds to your peace

Open your lives to your power.

Then, guide us on our pilgrimage through  
life, that we may walk in the way of peace  
and find our freedom in your service.

## Greetings from the Chaplains

### Being in hospital can be unsettling ....

We regularly visit all the wards and we are here to help and support you, in whatever way you would like us to.

Our aim is to support patients, their families and staff through:

- making no demands
- just being there
- special services for individuals.
