

I would like to submit an FOI request for the number of **vials used** and **patients treated** for the following products (see table below) at your trust used in 2024 (total January to December), broken down **by brand and size**, if possible. If the full-year data is not yet available, you can inform me about the currently available data.

If not all products are available at your institution, you can just fill in the data that you have access to.

| Product                                      | Manufacturer         | Size (Units/mg)         | Number of vials used (Jan 24-Dec 24) | Number of patients treated (Jan 24-Dec 24) |
|----------------------------------------------|----------------------|-------------------------|--------------------------------------|--------------------------------------------|
| <b>Prothrombin Complex Concentrate (PCC)</b> |                      |                         |                                      |                                            |
| Beriplex                                     | CSL Behring          | 500IU 20ml              | N/A                                  |                                            |
|                                              |                      | 1000IU 40ml             | N/A                                  |                                            |
| Octaplex                                     | Octapharma           | 500IU 20ml              | 20                                   | 10                                         |
|                                              |                      | 1000IU 40ml             | 68                                   | 33                                         |
| Prothromplex                                 | Takeda               | 600IU 17ml              | N/A                                  |                                            |
| FEIBA                                        | Takeda               | 200IU 10ml              | N/A                                  |                                            |
