About Us

The Salisbury Laser Clinic is the longest-running skin laser clinic in the UK, where we have provided care for NHS patients since 1983. We ensure the same high level of care, safety, and expertise to our self-paying, or private, patients. Your support allows us to invest in state-of-the-art lasers and safety equipment. NHS consultants, doctors, nurses and scientists provide your care. Furthermore, 100% of our profit goes back into the NHS. **ALL** initial consultations are **FREE**.

We can safely treat all skin types. The treatment is most effective when your skin is at its palest. If you have a suntan or an artificial tan, it may be necessary to re-arrange your appointment.

Clinic is open Mon-Fri 8:30am – 4:30pm. Please enquire for further info on prices and availability. Other treatments may be available upon request, where prices are available on application. If you cannot see the treatment that you want here, contact us on:
