The Salisbury Laser Clinic is the longest-running skin laser clinic in the UK, where we have provided care for NHS patients since 1983. We provide the same high level of care, safety, and expertise to self-paying, or private, patients. Your support allows us to invest in state-of-the-art lasers and safety equipment. NHS Consultants, Doctors, Nurses and Scientists provide your care. Furthermore, 100% of our proceeds go back into the NHS and **ALL** initial consultations are **FREE**.

Among the private services available are:
