

Raising Burns Awareness

Thank you for your interest in involving BUGS with your Event.
We have put together a list of website links to resources that will help plan your session(s).

Prevention and Burn Awareness Resources

BUGS – Our website and Facebook page has a number of burn prevention posters and posts
Facebook: Click Posts. Type **#BeBurnsAware** in the “Search Posts on this page” box

National Organisation and Charities

There are many national large organisations and charities that can provide information about burn prevention and safety.

- British Burns Association (BBA)
The BBA created the National Burns Awareness Day in October.
<https://www.britishburnassociation.org/prevention/>
- Child Accident Prevention Trust
Child Safety Week. Annually on the first week of June.
<https://capt.org.uk/csw-session-plans/>
<https://www.capt.org.uk/burns-scalds>
- The Children’s Burns Trust (CBT)
Learning Centre for the different Key Stages. - <https://www.cbtrust.org.uk/learning-zone/>
Safe Tea Campaign - <https://safetea.org.uk/>
- National Fire Chiefs Council Campaigns Page
<https://www.nationalfirechiefs.org.uk/Campaigns>
- ROSPA - Firework Safety
<https://www.rospa.com/Home-Safety/Advice/Fireworks-Safety>
- Electrical Safety First - website specifically designed for children to learn about electrical safety
<http://www.switchedonkids.org.uk>
<https://www.electricalsafetyfirst.org.uk/>

Stories for Children

- BUGS story books for children
Bugsy Flies Again – About a ladybird who is burnt and how he is treated in hospital
Lucky Little Lucy – About a ladybird who scalded herself on hot tea.
- Dorset & Wiltshire Fire Service
<https://www.dwfire.org.uk/education/dwise-safety-stories-and-activities-library/>
- UK Government Fire Safety Campaign
Frances the firefly - A children's story about the dangers of fire
<https://www.gov.uk/government/publications/frances-the-firefly>
